

REFINED FUEL

Bulk Plants

Engineering

Our in-house engineering and design team builds systems to eliminate waste and save you energy.

- ▶ Westmor's highly-trained installation crews average ten plus years of experience building quality fuel storage systems
- ▶ Our sales people are trained in bulk plant inspection and compliance regulations

Quality Tank Manufacturing

Westmor's manufacturing team has been building refined fuel storage tanks for more than 35 years.

- ▶ Tanks are certified by the Underwriters Laboratories
- ▶ Quality control manufacturing practices eliminate failure and premature wear
- ▶ Westmor's technicians are highly qualified and certified to complete inspections and repairs

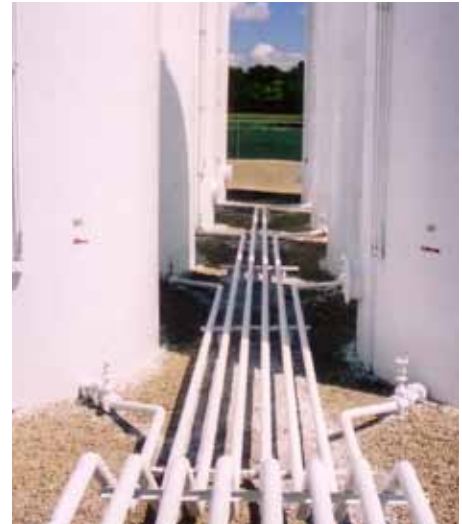

Installation and Repair

Westmor's commitment to service after the sale assures our customers of the continued quality performance of their fueling systems.

- ▶ Call 800-992-8981 for service and support
- ▶ Complies with all local and state codes

Refined Fuel Bulk Plants

Engineering, Manufacturing, and Installation

Materials Available				
Gallons	Size	Btm	Shell Thickness	Weight (lbs)
1,000	5.33 x 6	1/4"	3/16"	1,100
2,000	7 x 7	1/4"	3/16"	1,755
2,000	6 x 10	1/4"	3/16"	1,885
3,000	8 x 8	1/4"	3/16"	2,285
4,000	8 x 11	1/4"	3/16"	2,880
6,000	9'3" x 12	1/4"	3/16"	3,685
8,500	11 x 12	1/4"	3/16"	4,590
10,000	11 x 14	1/4"	3/16"	5,135
12,000	10 x 21	1/4"	3/16"	6,295
12,000	11 x 17	1/4"	3/16"	5,955
15,000	11 x 21	1/4"	3/16"	7,045
17,000	11 x 24	1/4"	3/16"	7,860
19,000	11 x 27	1/4"	1/4 - 3/16"	9,215
21,000	11 x 30	1/4"	1/4 - 3/16"	10,035
21,000	12 x 25	1/4"	3/16"	9,000
25,000	12 x 30	1/4"	1/4 - 3/16"	11,070
29,500	12 x 35	1/4"	1/4 - 3/16"	13,045
40,000	14 x 35	1/4"	1/4 - 3/16"	15,845

Superior Excellence

“After visiting the Westmor factory I was able to see the **manufacturing** and **quality control**. I know now how **well** the products are **engineered**, they’re built with **good welds** and **quality paint**. I was **very impressed** after my visit. Even the shop people were **available** and **accessible** to me.”
